ACTIVITIES SHARE

Our purpose:

Cooperate to improve people's lives!

more than ———— **14.000 Members**
23.000 Employers

Operating since 1964 in the south and mid-west of Brasil and also in the eastern Paraguay, Lar Cooperativa Agroindustrial is characterized by being made up of small farmers.

Its cooperativism promotes continuity to the member's work, encouraging the participation of women and engaging

the whole family who are involved in the diversification of agricultural and farming activities.

the planning and joint management strategies, by being participatory, contribute to the growth of human and social resource.

HOW WE WORK

Lar has full control of the poultry production chain.

POULTRY PRODUCTION CHAIN
